Township 24th South of the Base Line, Range No 35 West.

### Interior Sectional Corners Described

Quarter Section Corners Containing

[illegible]

Township N 15, Range N XIII, West 2 PM

Pursuant to a Contract with, and Instructions from, David Mearnsfield, Surveyor General of the United States, dated the 3 day of February 1866, I have admeasured, laid out and surveyed the above described Township, and do certify, that it had, such marks and bounds, both, natural and artificial as are represented on said plat and described in the Field Notes made thereof, and returned with this plat into the Surveyor General's Office

Witness my hand and seal this 12 day of May 1866

Arthur H. Henshaw
